### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with T. Benjamin Schroeder on May 6, 2004.

The application has been amended as follows:

Cancel claims 3, 6 – 9, and 11.

2. The following is an examiner's statement of reasons for allowance:
3. Claims 3, 6 – 9, and 11 are cancelled since they were drawn to a nonelected invention.
4. The declaration filed March 18, 2004 is sufficient to withdraw the 35 USC 103 rejection based on JP 59150175 since the Applicant has provided evidence that shows that the addition of a urea compound, which is taught by JP 59150175, to the presently claimed stainproofing composition would have an adverse effect on the stainproofing properties of the composition and be outside of the scope of the "consisting essentially of" language presently recited in the claim.
5. The declaration filed March 18, 2004 is sufficient to withdraw the 35 USC 103 rejection based on Amimoto et al. (5,143,991) since the Applicant has provided evidence that shows the use of the copolymers taught by Amimoto et al., in the presently claimed stainproofing composition would have an adverse effect on the stainproofing properties of the composition and be outside of the scope of the "consisting essentially of" language presently recited in the claim.

Art Unit: 1771

6. Therefore, claims 1, 2, 5, 10, and 12 – 14 are allowed. The prior art fails to teach or fairly suggest a carpet treated with a stainproofing composition consisting essentially of a triazine ring containing crosslinking agent and a fluorine-containing stainproofing agent consisting essentially of a fluoroalkyl-containing compound.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jenna-Leigh Befumo whose telephone number is (571) 272-1472. The examiner can normally be reached on Monday - Friday (8:00 - 5:30).
